4. Privacy notice

Your application and telephone interview are American Continental Insurance Company's primary sources of information in determining whether to provide coverage to you. The Company, its affiliates, or its reinsurer(s) may also in certain circumstances release information collected by us to third parties without authorization from you. Upon written request, we will provide you with the information contained in your file. Should you wish to request correction, amendment or deletion of any information in your file, which you believe inaccurate, please contact us and we will advise you of the necessary procedures.

5. Producer compensation

When you purchase insurance from us, we pay compensation to the licensed agent, who represents us for such limited purposes as taking your insurance application, collecting your initial premiums and delivering your policy, and to any intermediaries through which the licensed agent works. This compensation may include commissions when a policy is purchased or renewed, and fees for marketing and administrative services and educational opportunities. The compensation may vary by the type of insurance purchased, or the particular features included with your policy. Additionally, some licensed agents and/or their intermediaries may also receive discounts on their own policy premiums and bonuses, and incentive trips or prizes associated with sales contests based on sales criteria, such as the overall sales volume of an agent or intermediary with our companies, or for the percentage of completed sales. (Generally, this will not be the case for registered variable insurance products or for fixed products sold through banks or broker-dealers.) Intermediaries may also pay compensation directly to the licensed agent. If the licensed insurance agent can sell insurance policies from other insurance carriers, those carriers may pay compensation that differs from ours.

6. Applicant agreement

The applicant and agent represent that the applicant has read, or had read to applicant, the completed application, and the applicant understands that any false statements or misrepresentations made in the application may result in loss of coverage under the incontestability provision of the policy to which this application is a part.

I, the applicant, represent that the statements and answers given in the application are true, complete and correctly recorded to the best of my knowledge and belief. I understand and agree that, if I choose to pay my premium by electronic funds transfer (EFT) from my checking or savings account, I am accepting the terms and conditions of the EFT authorization attached to this application.
